### **Outdoor Ceremony**

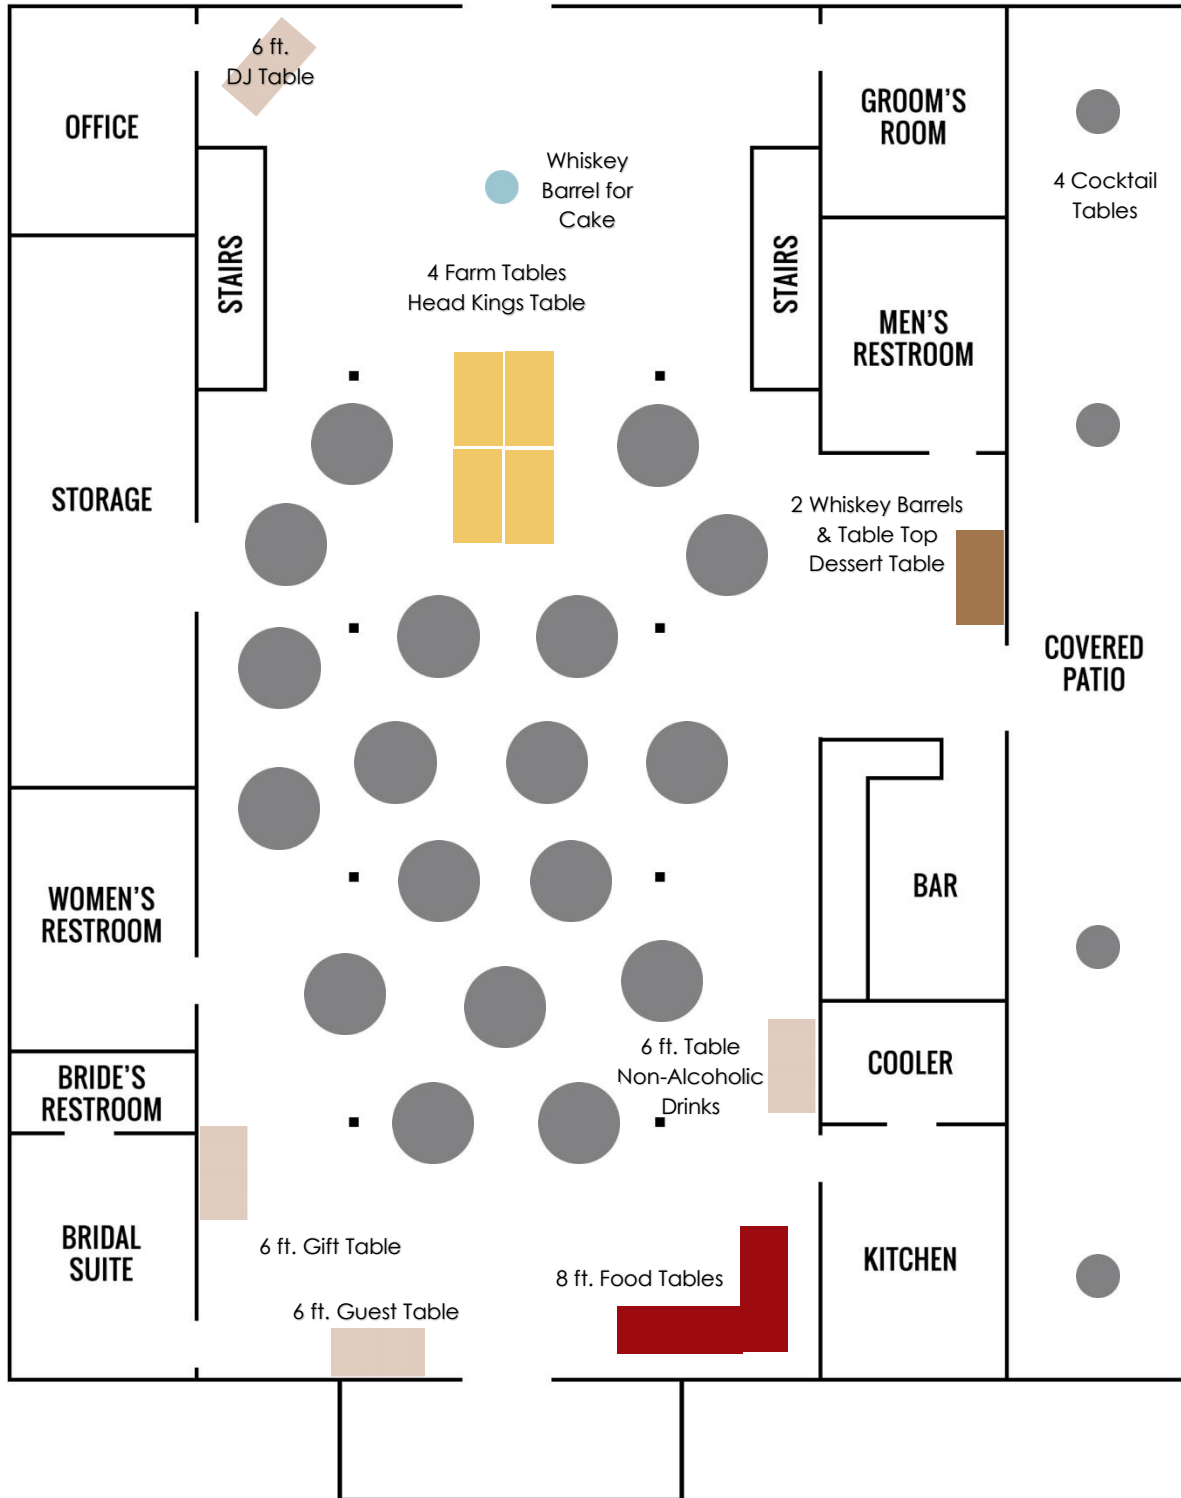

Red Acre Barn has 64 benches for the ceremony pad that fit up to 5 people/bench. If you have 300 guests or close to it, I would use all 64 benches.

Example: 8 rows of 4 benches per side of the aisle would be a good set up for 300 guests (64 benches). 8 rows of 3 benches per side of the aisle would be a good set up for 200-225 guests (48 benches).

Example of layout for 300 guests

### **Indoor Ceremony for 300 People:**

- 2 rows of 20 cross back chairs up front for family.
- Spread tables out wider to make an aisle in the middle. Guests can be seated around the tables.
- Farm tables used as the head table can be set by the stairs, so they are ready for a quick transition after the ceremony.
